As the leading vertically integrated manufacturer of lithium iron phosphate battery systems, GSL ENERGY has provided various battery solutions for nearly all kinds of ESS applications.

We provide tailored 100kW battery storage systems to meet your unique energy needs. Whether you need a basic setup or a high-performance system, we can help you create the perfect solution.

Feature highlights: With a 233KWh/261Kwh capacity and liquid-cooling technology, this energy storage system ensures stable 24/7 power output even in extreme conditions, suitable for hospitals, communication hubs, ...

Our Outdoor 100KW/215KWH Cabinet Energy Storage System boasts several notable advantages. Firstly, its modular design ensures easy installation and maintenance, with the flexibility to scale according to your needs.

The MEG 100kW x 215kWh Cabinet is engineered as a modular energy storage building block, ideal for commercial facilities, microgrids, and community-scale projects.

This integrated solar battery storage cabinet is engineered for robust performance, with system configurations readily scalable to meet demands such as a 100kwh battery storage requirement.

Waterproof lithium ion battery storage cabinets ensure that your batteries are kept safe from water damage and short-circuiting. This not only keeps your batteries in good condition and extends their lifespan but also ...

First, its advanced liquid cooling system ensures efficient temperature management, prolonging the battery's long cycle life of 8,000 cycles. Additionally, it operates at AC voltages of 380Vac/220Vac and has an IP65 ...

This integrated outdoor cabinet features lithium iron phosphate (LFP) batteries, modular PCS, EMS, power

100kW IP65 photovoltaic battery cabinet for Jerusalem water treatment plant

distribution, fire protection, and an advanced liquid cooling system that enhances thermal stability and ...

WONVOLT Holdings limited was founded in 2016, with two factories located in Hefei, China. We have been specializing in ICESS (Industrial and Commercial Energy Storage System) solutions for over 9 years. We ...
