---

Founded in 2012 with a registered capital of 138 million yuan, it is a large-scale group enterprise integrating R& D, design, production, marketing and construction of outdoor lighting, photovoltaic, ...

Discover TANFON's Outdoor Integrated Energy Storage System a cutting-edge solution that seamlessly combines lithium iron phosphate batteries, advanced Battery Management System (BMS), Power ...

The outdoor cabinet-type photovoltaic storage system, boasting a power rating of 100kW/200kWh, seamlessly amalgamates energy storage batteries, PCS, power distribution, ...

The C& I ESS Battery System is a standard solar energy storage system designed by BSLBATT with multiple capacity options of 200kWh / 215kWh / 225kWh / 245kWh to meet energy needs such as ...

Multi-functional: PV + energy storage mode, solving the problem of small power supply in remote areas. Off-grid uninterruptible power supply, dynamic capacity expansion, peak shaving and valley filling to ...

Discover the MEGATRON Series - 50 to 200kW Battery Energy Storage Systems (BESS) tailored for commercial and industrial applications. These systems are install-ready and cost-effective, offering ...

Our 200KWh outdoor cabinet energy storage system features a battery pack system enclosure with triple fire protection. With independent relay protection and battery-level thermal monitoring, you can ...

Looking for an ODM BESS energy storage system? Our all-in-one outdoor cabinet (50-100kWh) features an IP55 design, LFP cells, and easy expansion for C& I applications.

Optimize energy management with our high-capacity 200kW battery energy storage system. Unlock reliable and efficient power solutions for your operations.
