What are the energy saving awards?

The Energy Saving Awards feature an array of expertly curated categories, designed to reflect and reward the very best from all corners of the sector. The reward will go to the company behind any domestic refurbishment project that can be shown to have helped householders or tenants to reduce their energy consumption.

How do I enter for the 2025 energy saving awards?

Entries for the 2025 Energy Saving Awards are now open until the beginning of September using the simple online entry portal. There are 16 categories to choose from. While companies and individuals can enter for an award in more than one category, it is not permitted to enter the same product or project for multiple categories.

What is the entry deadline for the energy saving awards?

Entry Deadline - 19th September. Subject to meeting the necessary criteria, each entry and nomination will proceed to the judging stage taking place in the middle of September. All those shortlisted for an award will be invited to attend the Energy Saving Awards.
