? The Solar Together scheme launched today and offers Kent residents the chance to buy solar panels and/or battery storage systems at a cheaper price than the average market rate.

If you have any questions or would like to register your interest, call Solar Together for free on 0800 014 8851 or visit their website. Lines are open Monday to Friday, 8am to 5pm.

Switch Together makes the process straightforward. We help households invest in solar panels and battery storage with clear guidance, trusted support, and fair, transparent pricing.

You can contact the Switch Together helpdesk if you have any questions. Agree an installation date with the installer if your property is suitable for the technology you want.

Telephone and email support are on-hand throughout the whole process, which, together with information sessions, will allow households to make an informed decision in a safe and hassle-free...

If you have any questions about new or existing installations you can call Solar Together for free on 0800 014 8721, Monday to Friday 8am to 5pm or contact their helpdesk.

Anyone who would like to find out more or has any questions can call Solar Together free of charge on 0800 014 8721, Monday to Friday 8am to 5pm. For more information, visit: Solar Together MBC...

For detailed information about costs, efficiency, and installation, you can read a list of frequently asked questions on the Switch Together website. You can contact Switch Together: by phone: 0800...
