The Longi 620W Bifacial Double Glass Solar Panel is a high-performance photovoltaic module designed for utility-scale, commercial, and industrial solar installations.

This bifacial solar panel series is ideal for commercial, industrial, and utility-scale solar projects, offering a combination of high efficiency, cost savings, and long-term reliability.

We deliver the world's most complete and cost-effective solar PV solutions. Our in-house engineering and product development ensure that every solar PV system manufactured complies with ...

With MOREGO, you gain access to a comprehensive selection of LONGI Solar Panels, ensuring you find the perfect fit for your solar energy requirements. Experience the advantage of working with a ...

As of February 25, 2025, LONGi Green Energy has implemented a price adjustment for distributed generation systems, with increases ranging from  $\$0.03/\text{W}$  to  $\$0.05/\text{W}$  due to recent power reform ...

Longi High Power Output 455W Tier 1 Solar Panel FOB Price: US \$0.22-0.24 / watt Min. Order: 10,000 watt  
After-sales Service: Yes Warranty: 25 Years

Discover bifacial glass-glass modules from LONGi - for maximum energy yields, extreme resilience and long-lasting performance in demanding PV projects.

Type Half Cell, Bifacial, Double-glass, N-TYPE, TOPCON Panel Efficiency 23.1% Place of Origin Anhui, China Panel Dimensions 2382\*1134\*30mm (93.78\*44.65\*1.18in) Brand Name Longi Product name ...

The glass-glass modules from LONGi Solar offer maximum stability combined with high energy efficiency. Thanks to their double-sided glass structure, they are particularly resistant to ...

# Longi photovoltaic panel double glass price

Even though it seems a little pricey at first, its performance and years of lifetime make it a long-term cost-effective solution. The Longi Hi-Mo 7 580-Watt Double Glass Solar Panel is the most advanced ...
