---

They come in various types and sizes to accommodate different voltage levels and current ratings, ranging from small residential circuit breakers to large industrial circuit breakers.

From the known hardware like the nails and hammers, to the pocket-sized variants of screws, screwdrivers, and nuts, to the essentials of plumbing, all of these are available online and can be sold to you at the best prices.

We, as a supplier, offer everything from single circuit breaker options ideal for smaller systems to robust industrial circuit breakers designed for high-capacity applications.

Most of single phase we do use two pole breakers so it will open both line and neutral connection so it kinda a little twist to it but so far it been that way for many years in Philippines.
