Based on the company philosophy "Focus, Innovation, Pragmatism, Cooperation", PYTES has been striving for being a leading battery brand by offering high-quality products which meet the market and ...

We make mobile solar containers easy to transport, install and use. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever.

Our solar container products are exported to Europe, North America, Southeast Asia, and other countries. They are widely used by government, transportation, education, telecom operators, and ...

HJ-SG Solar Container provides reliable off-grid power for remote telecom base stations with solar, battery storage and backup diesel in one plug-and-play solution.

The system integrates a 4.4kW solar panel array and a wind power generation system with a capacity of 600W to 2000W. Managed by AI, the system ensures low-carbon, energy-efficient, and stable ...

Perfect for communication base stations, smart cities, transportation, power systems, and edge sites, it also empowers medium to high-power sites off-grid with an energy-efficient, hybrid renewable solution.

This large-capacity, modular outdoor base station seamlessly integrates photovoltaic, wind power, and energy storage to provide a stable DC48V power supply and optical distribution.

A globally interconnected solar-wind power system can meet future electricity demand while lowering costs, enhancing resilience, and supporting a stable, sustainable ...

The solution adopts new energy (wind and diesel energy storage) technology to provide a reliable guarantee for the stable operation of communication base stations.
