---

I tried out the best budget-friendly portable power stations for camping, workshops, and power outages. Here are my recommendations.

Engineered for outdoor enthusiasts, EcoFlow portable power stations deliver robust 300-800W AC output in lightweight 7.7-23.8 lb packages, packing 256-858Wh of adventure-ready energy.

Bring big backup power with you with these expert-recommended portable power stations, which can store enough power to charge electronics, appliances, and more.

Get free shipping on qualified 1000 watts Battery Generators products or Buy Online Pick Up in Store today in the Outdoors Department.

Here, we'll walk you through how to do that in this portable power station buying guide, which includes several models that are brand new for 2026 so you can breeze past all of that tech talk...

After countless hours of testing, our CNET experts found the clear answer to which portable power station is the best -- the \$2,199 Jackery Explorer 2000 Plus.

Find the best portable power stations for your backcountry and frontcountry plans, based on extensive, hands-on testing.

It offers lots of power for its size and price, and it has a wide array of outlets and charging ports, an easy-to-use interface, and a relatively rugged exterior.

We tested 22 portable power stations for over a year to find the best models for home backup, camping, road trips, and emergency power.
