To help you choose the best solar generator for your purpose, we ...

We rated and reviewed the best solar-powered generators for home backup during power outages, including models from Generac, Jackery, and more.

Whether you're seeking a highly portable option or need one that's heavy-duty enough for extended use, these are the best solar generators we've tested and researched to date.

To help you choose the best solar generator for your purpose, we tested some of the most innovative models from Jackery, EcoFlow, Goal Zero, Bluetti, Anker, BioLite, Lion Energy, Ugreen, ...

We rated and reviewed the best solar-powered generators for ...

Our team of solar experts has tested over two dozen of the latest and greatest portable power stations and portable solar panels on the market in 2025 to find the best solar generators for every type of user.

During testing, a few models clearly fit different needs. The Jackery HomePower 3000 handled everyday home backup smoothly, while the EF ECOFLOW Solar Generator DELTA 2 Max ...

Once considered overly expensive and underpowered, solar generators are getting more affordable and useful each year, so we put eight popular models to the test to see how well they could...

EcoFlow is our #1 pick for solar generators. EcoFlow has been very successful since their start and continues to be consistent with its reliability and expandability for solar generators. They ...

We chose the Bluetti Elite 200v2 as our best overall pick, but there are tons of options out there on the market to meet your needs.

What brand of solar generator is good

After thorough testing of all options, I confidently recommend the Jackery Solar Generator 1000 v2 200W Solar Panel as the best combination of power, durability, and smart features for most ...

To find the best solar generators, I tested medium- and large-capacity models from brands like Bluetti, Anker and Jackery. I ran each through a series of standardized tests to compare ...
