Can you put shelves behind a couch?

Installing shelves on the wall behind the couch is a fantastic way to make use of the available space and provide a support for some decoration. It is also a very cool idea for something like books because you can easily reach them on the lower shelves while lounging on the couch itself. via decoholic.

What can be stored behind a sofa?

Even a thin space of around 15 to 20 cm behind a sofa can be used to store phones, books, and cups of tea. There are some great hacks out there that allow you to turn pieces of furniture into pull out and hidden behind-the-sofa storage options.

What can you put behind a couch?

Tall indoor plants placed behind a couch can add a touch of nature and greenery to your living space, creating a calming and fresh atmosphere. Bookshelves or bookcases behind a couch add both functionality and style, providing storage space for books, decor, and personal items while creating a visually appealing focal point in the room.

What is a built-in storage cabinet?

Built-in storage cabinets offer both functional storage space and a sleek design element, serving as a convenient solution for maximizing space behind a couch. Floating shelves are a versatile option to display decorations behind a couch. They can showcase books, plants, or decorative items without taking up floor space.
